

## Apricot Daiquiri

Two Swallows Citrus & salted caramel rum meets apricot liqueur and fresh orange in this bold and zingy rendition of a timeless classic. Some say don't fix what isn't broken, but you'll be surprised just how well these flavours work together in a Daiquiri formula.

## Banana Colada

Calling all Piña Colada fans! Shaken not blended, still favouring Malibu and pineapple, this is a sweet yet perfectly balanced alternative with banana liqueur and a hearty punch of Rockstar's over-proof 'Banana Bomb' rum. Find out why this drink is so popular.

## Coco Cabana

This is a cocktail for coconut lovers. Diabliesse Coconut & Hibiscus rum coupled with Disaronno brings a hint of marzipan, whilst pink grapefruit juice and coconut purée make it a tropical delight. Think of this drink as a coconut Bakewell... and the result speaks for itself.

## Fire and Brimstone

A spicy Margarita but taken to the next level. Banhez Mezcal takes the place of Tequila, fresh red chilli gets balanced by fresh lime & agave syrup, and Cointreau rounds it all off. Smoky meets spicy and they seriously get on.

## Lemon Drop

If you want a citrusy palate cleanser then look no further. We marry Tanqueray Sevilla, Limoncello, fresh lemon and sugar to make a zesty and refreshing version of 'The Last Word', an iconic prohibition era cocktail, and for good reason.

## Lychee Martini

The taste of Lychee is certainly distinct, but don't be put off! Trust us. When you partner its unique flavour with vodka, pineapple and fresh lime it goes down FAR too easily. This is a sweet and flavourful cocktail that's delicious all year round.

## Mulled Negroni

Everything you love about a Negroni but with a twist. Falernum is a sweet liqueur made with rum and spices hailing from the Caribbean that adds earthy, spiced notes whilst a calculated measure of Merlot wine makes it heavier and delectably balanced.

## Spiced Pineapple Margarita

The beauty of a Margarita is that it lends itself to endless adaption so long as it has citrus and Tequila. This one features El Tequileño Blanco, pineapple liqueur, apple juice and fresh lime balanced with cinnamon-infused agave syrup. If a tequila toffee apple could exist...

## Suburban Sling

Our take on an old-school Singapore Sling using Cherry Heering, grenadine, pineapple and lime juice featuring our very own 'Suburban Gin' as the body of this strong but sweet twist on an iconic classic. If cherry is your thing then you'll want to try this.
